

DIRECTIONS FROM INDIANAPOLIS TO AVK CARBO-BOND

- Take I-65 North from Indianapolis to I-80/94 toward Chicago
- Take I-80/94 to 294 North (toward Wisconsin)
- Take 294 North to I-88 West (toward Aurora)
- take I-88 west about 20-25 miles (toward Aurora) to the Orchard Road exit. This exit is the second one after you go through the toll plaza in Aurora
- exit at Orchard Road
- at the end of the exit, take a right. This will take you to a four way stop. Continue on Orchard through the stop until you get to the first stoplight you will see. This is Randall Road.
- take a left (north) on Randall Rd.
- take Randall for approximately 5-6 miles. You will go over a bridge and reach Keslinger Road (which is at a stoplight). If you see Route 38, you have gone too far; turn around
- take a left on Keslinger. Follow Keslinger for about 1 mile until you reach an "S" curve. Follow the "S" all the way through so that you are running parallel to the railroad tracks once again
- continue on Keslinger for approximately 2 miles to Linlar Drive. Take a right on Linlar Drive.
- AVK Carbo-Bond/BI-TORQ's main facility will be on your left in a small industrial park right off of Linlar.
