

DIRECTIONS FROM MIDWAY AIRPORT TO AVK CARBO-BOND

- Take Cicero Ave. North
- 55 South (toward St. Louis) to 355 North (West/North Suburbs)
- take 355N to I-88 West (toward Aurora)
- Take I-88W to the Orchard Road exit. This exit is the second one after you go through the toll plaza in Aurora
- exit at Orchard Road
- at the end of the exit, **take a right**. This will take you to a four way stop. Continue on Orchard through the stop until you get to the first stoplight you will see. This is **Randall Road**.
- take a left (north) on **Randall Rd.**
- take Randall for approximately 5-6 miles. You will go over a bridge, to **Keslinger Road** (which is at a stoplight)
- take a left on **Keslinger**. You will go past the four way stop on another bridge that goes over the RR tracks. Go approximately 2 miles to **Linlar Drive (on your right)**.
- Take a right on **Linlar Drive** and then an **immediate left** into our parking lot. We are the first parking lot when you get off on Linlar and the building is visible from the road in a small industrial park. **AVK Carbo-Bond/BI-TORQ's main facility** will be on your left in a small industrial park right off of Linlar.
