

## DIRECTIONS FROM O'HARE AIRPORT TO AVK CARBO-BOND

- 190 EAST out of the airport
- Exit at 294 South (toward Indiana)
- continue to I-88 West (toward Aurora)
- Take I-88W to the Orchard Road exit. This exit is the second one after you go through the toll plaza in Aurora
- exit at Orchard Road
- at the end of the exit, take a right. This will take you to a four way stop. Continue on Orchard through the stop until you get to the first stoplight you will see. This is Randall Road.
- take a left (north) on Randall Rd.
- take Randall for approximately 5-6 miles. You will go over a bridge, to Keslinger Road (which is at a stoplight)
- take a left on Keslinger. You will go past the four way stop on another bridge that goes over the RR tracks. Go approximately 2 miles to Linlar Drive (on your right).
- Take a right on Linlar Drive and then an immediate left into our parking lot. We are the first parking lot when you get off on Linlar and the building is visible from the road in a small industrial park. AVK Carbo-Bond/BI-TORQ's main facility will be on your left in a small industrial park right off of Linlar.
